Equal Opportunity Employer

**Policy
For
Individual Training Accounts (ITAs)**

In order to provide participant choice in the selection of training providers, the Individual Training Account (ITA) system was established. Through this system, eligible Workforce Innovation and Opportunity Act (WIOA) participants are able to choose their training. The Merced County Workforce Development Board (WDB), through the Career Services Operator, the Merced County Department of Workforce Investment (WI), shall make available classroom training in occupations that are directly connected to occupations in demand, as established by the WDB. Occupational classroom training, as well as certain web-based training, will be provided through training vendors that are evaluated, approved and placed on the State Eligible Training Provider List (ETPL).

The WDB through WI, shall provide training services that lead to a certificate/license/credential/degree, a competency or skill recognized by employers, or a training regimen that provides individuals with additional skills or competencies generally recognized by employers.

The WDB, through WI, reserves the right to make exceptions to this policy, on a case-by-case basis, should individual circumstances warrant exception.

I. Individual Training Accounts (ITAs) – General Provisions

- A. Except as provided in the Workforce Innovation and Opportunity Act of July 2014 and associated regulations, training services provided to eligible participants shall employ Individual Training Accounts (ITAs) issued through the One-Stop Delivery System.

The “Maximum Training Funds Available” on any individual ITA shall not exceed six thousand dollars (\$6,000) without prior, written approval of the Director of Workforce Investment or his/her designee.

1. In no event shall an ITA carry a time or dollar balance after the program of training is either completed or terminated.
 2. The maximum length of training under a single ITA shall be two years.
 3. More than one ITA may be issued for a participant within a two-year period provided the total cost of all ITAs combined does not exceed \$10,000.

 5. The ITA shall be signed by both the participant, the Supervisor, and Manager.
- B. WI shall ensure that all training activities are provided at sites that are accessible to individuals with disabilities, and that all reasonable accommodations are made to provide services to this population

II. Training Activities

- A. The types of training services made available through WI under the Workforce Innovation and Opportunity Act shall include:
 - 1. Occupational skills training as well as training for nontraditional employment, offered in a classroom environment or web-based training; and

IV. Training Priority System

Veterans and eligible spouses continue to receive priority of service for all DOL-funded job training programs, which include WIOA programs. However, as described in TEGl 19-16, when programs are statutorily required to provide priority for a particular group of individuals, such as the WIOA priority described herein, priority must be provided in the following order:

- 1. Veterans and eligible spouses who are also recipients of public assistance, other low income individuals, or individuals who are basic skills deficient.

2. Individuals who are the recipient of public assistance, other low income individuals or individuals who are basic skills deficient.
3. Veterans and eligible spouses who are not included in WIOA's priority groups
4. Other individuals not included in WIOA's priority groups.

(Reference TEGL 19-16 *Guidance on Services Provided through the Adult and Dislocated under the Workforce Innovation and Opportunity Act and Wagner Peysler, as Amended by WIOA*).

For additional guidance on providing priority of service to veterans through the one-stop system, refer to Workforce Services Directive WSD08-10.

Local Workforce Development Boards (WDB) may establish additional priority groups for their Local Area (e.g., residents of the Local Area, individuals with disabilities, ex-offenders, etc.). If any additional priority groups are established they should be identified in the local policy.
