

LOCAL PLANNING FORUMS

Worknet Merced County will be hosting public forums addressing the five session topics below. Discussions will assist with the modification of the Worknet Merced County’s Local Plan. These forums give the community an opportunity to provide their feedback on how Worknet Merced County can serve the County. Your input is critical to the development of the Local Plan that will allow Worknet Merced County to better serve the needs of our community.

Public Welcome- all meetings open to the public!
